Ballast

The weight you carry, on purpose.

See the crash days coming, plan the way out, and keep your friends close while you do it.

- **Smart timetable** — Draining classes · attendance
- **Owing work** — Hours owed → sittings booked
- **What to do first** — Ranked, with the reason
- **Plan with friends** — Green = everyone's free
- **AI writes the hard text** — Say no, check in, kindly
- **Rest that fits** — Recovery you can book
